### Mission Statement

The Mission of Joshua's Great Things:

- To fund much needed pediatric brain cancer research
- To help families when they need it most through our Family Support Program

Dear Supporters,

One of the joys of preparing an annual report is that it gives us a chance to look back and to be thankful for all that has been accomplished. The past year was filled with wonderful opportunities to grow and reach more families affected by pediatric brain cancer. Some highlights were:

- Helping 50 new families through our Family Support Program
- Working with Social Workers at local children's hospitals to help with emergency need situations for 3 families
- Presenting \$65,000 to St. Louis Children's Hospital to continue research focusing on sex-difference treatment for cancer

Joshua's Great Things is tax-exempt under Section 501(c)(3) of the Internal Revenue Code. Donations are tax deductible to the extent allowed by law.
