### Mission Statement

The Mission of Joshua's Great Things:

- To fund much needed pediatric brain cancer research
- To help families when they need it most through our Family Support Program

Dear Supporters,

One of the joys of preparing an annual report is that it gives us a chance to look back and to be thankful for all that has been accomplished. The past year was filled with incredible opportunities and challenges. Some highlights were:

- Helping 32 new families through our Family Support Program
- Increasing the amount of support given to each family to help with additional expenses they are facing
- Working with Social Workers at local children's hospitals to help with emergency need situations for 2 families
- Connecting with a new pediatric hospital in Illinois to help more families in our area
- Presenting \$46,000 to St. Louis Children's Hospital to continue research focusing on sex-difference treatment for cancer

Joshua's Great Things is tax-exempt under Section 501(c)(3) of the Internal Revenue Code. Donations are tax deductible to the extent allowed by law.
